“I thank the Lord for those who accompany and assist the sick . . . . By their deeds, they call to mind the incomparable dignity of our brothers and sisters who suffer in mind or body; they show that every life, even the most frail and suffering, has importance and value in God’s sight.”

--Pope John Paul II, Homily at the beatification of Damien of Molokai

“Only through an encounter with God are we able to see in the other something more than just another creature, to recognize the divine image in the other, thus truly coming to discover him or her and to mature in a love that ‘becomes concern and care for the other.’”

--Pope Benedict XVI,  
*Caritas in Veritate*
